

Trademark and Service Mark Notice

“Surface Repair”, “Snake River Surface Repair”, and the Snake River Surface Repair logo(s) displayed on this website are trademarks and/or service marks of Snake River Surface Repair, LLC.

Fair use guidelines

Snake River Surface Repair, LLC (“Snake River Surface Repair”) takes great care in the development and protection of its trademarks and/or service marks and reserves all rights of ownership of its trademarks and/or service marks. "Fair use" of Snake River Surface Repair trademarks and/or service marks, that is, use by a third party without express permission or license, is limited to text-only references to Snake River Surface Repair trademarks and/or service marks, such as product and service names, and excludes Snake River Surface Repair logos. In such references, you must be truthful, must not disparage Snake River Surface Repair, and must not mislead the public. You must be clear and accurate as to the nature of the relationship between Snake River Surface Repair and your company, its products, and its services. You may not use Snake River Surface Repair trademarks and/or service marks in a manner which could cause confusion as to Snake River Surface Repair sponsorship, affiliation or endorsement.

Except as stated above, Snake River Surface Repair trademarks and/or service marks may not be used by third parties without express permission. To obtain permission, please contact us using the information provided below.

General usage

Proper use of Snake River Surface Repair trademarks and/or service marks reinforces our role as brands for our products and services, and helps prevent them from becoming generic names that can be used by anyone. Examples of former trademarks and/or service marks and/or service marks that became generic terms are "aspirin", "cellophane", and "escalator". By adhering to the following rules, you help protect Snake River Surface Repair, LLC's investment in its trademarks and/or service marks:

- When a Snake River Surface Repair product is mentioned in communications, ownership by Snake River Surface Repair must be attributed in a footnote either on the page/screen where the Snake River Surface Repair trademarks and/or service marks are used, or in the legal section of the communication or site in which it they are referenced. For example, SNAKE RIVER SURFACE REPAIR is a trademark and/or service mark of Snake River Surface Repair, LLC.
- The first reference in text to all Snake River Surface Repair product names should be preceded by Snake River Surface Repair and followed by the proper trademark and/or service mark symbol,

- The proper symbol for registered product names is ®. Do not use the registration symbol (®) in connection with Snake River Surface Repair trademarks and/or service marks.
-
- The proper symbol for services which are the subject of pending applications or are used in accordance with common law service mark principles is SM.
- The proper symbol for product names which are the subject of pending applications or are used in accordance with common law trademark principles is ™.
- Do not create any new logo for Snake River Surface Repair or Snake River Surface Repair product names.
- Do not incorporate any Snake River Surface Repair product names into your company's product names.
- Do not incorporate any Snake River Surface Repair names into any internet root domains or subdomains owned by your company.
- Do not use the Snake River Surface Repair taglines.
- Do not connect your company name with Snake River Surface Repair product names.
- Alterations of the approved Snake River Surface Repair trademarks and/or service marks are not allowed, for example:
 - Do not change the form or representation of the product name, including misspelling, capitalization or punctuation.
 - Do not abbreviate or incorrectly capitalize Snake River Surface Repair trademarks and/or service marks. For example, " Snake River Surface Repair " not "SRSR".
 - Do not use the Snake River Surface Repair trademark and/or service mark name for a product or service as a noun or verb, in the possessive form (for example, Snake River Surface Repair's or Snake River Surface Repair Checkpoint's) or in the plural form unless the trademark and/or service mark itself appears in that form.

Domain Names

Do not use Snake River Surface Repair trademarks and/or service marks or potentially confusing variations in your internet domain name. This helps prevent internet users from being confused as to whether you or Snake River Surface Repair is the source of the Web site.

Open-Source Software

Most open-source licenses do not grant, and many exclude, a license of trademark and/or service mark rights. Do not assume you can use the name of a source code base in the name of your distribution developed from that code base. Without a license or permission, you may not

incorporate Snake River Surface Repair trademarks and/or service marks in the name of your distribution or other products that incorporate open-source elements. Truthful statements incorporating a trademark and/or service mark are generally allowed (for example, in the format "My Implementation, derived from Trademarked Product Name"), but you should check the terms of the license for the original source code or any posted trademark and/or service mark guidelines for the project.

Logos
